## Case Study - Desertification (Aral Sea)

### **Part 1: How Powerful is Kazakhstan? Now This World (<http://bit.ly/KazhakstanVideo>)**

List 3 facts you learned about Kazakhstan from the video.

- 1.
- 2.
- 3.

### **Part 2: Aral Sea: The Sea that Dried up in 40 Years” BBC News (<http://bit.ly/BBCVideoKazakhstan>)**

Your answers to these three questions **must be in complete sentences.**

1. Where is the Aral Sea located?
2. Record 3-4 of the details people shared with BBC about how the disappearing sea has affected their lives.

3. How was the natural environment affected?

4. How is this a *man-made* environmental disaster?

5. How has the World Bank helped the local communities in Aral?
